

Results from the Ilkley Harriers Addingham Gala fell race Saturday 10th July 2010 Senior race BS 5.9M/1000'

The Addingham Gala Committee approached Ilkley Harriers to help reinstate the Addingham Gala fell race after a gap of some 20 years. The course is wonderfully elegant – run up the big hill you can see from the Gala field, and back down again. But its challenges include seemingly unrelenting 'up', some tough terrain on Beamsley itself, the fearsome 'ginnel', and the bouncing suspension bridge. Well done to all the runners who competed on a very hot day and thanks to the Addingham Gala Committee for their support and enthusiasm, Up & Running for generous prizes and race support, to all the landowners en route, and to the many helpers on the day.

Volunteer helpers

Everyone is appreciative of the work done by the volunteers in a race, so I've listed them here in the results – apologies to anyone I have missed! Additionally, the safe passage of the runners through Addingham was assured by many Gala volunteer marshals and the West Yorkshire Police.
